## Excavation Crew Helper

### Description

We are searching for an excavation crew helper! This is an entry-level position; no experience necessary! Must be willing to work outside and be a quick learner. You will learn all about pipe repair, replacement, relining and more. This is a physically challenging job at times so a solid work ethic is a MUST. In return, you will learn a trade which will be a valuable asset for your entire career, earn a nice living, and help people in times of real need.

### Responsibilities

Help in all manners of excavation work, including digging with a shovel, removing dirt, and learning how to repair sewer lines, replace water lines, install relining materials, and more.

### Qualifications

- Strong work ethic
- Good attitude
- Teachable/Desire to learn
- Good citizenship and driving record
- Able to obtain a Class E drivers license within 30 days of hire
- Communication skills

### Job Benefits

You will be eligible for major medical health care coverage (of which MasterTech pays a significant amount of the premium) and includes a life insurance provision, vision & dental insurance, short-term disability insurance, uniforms & hats, company matched tool fund, career development, 401(k) retirement plan with company match, paid time off, 8 paid holidays, emergency leave, cell phone allowance, birthday meal, and being part of a top-notch team!

### Contacts

No phone calls please. Click on the "APPLY NOW" button to submit an online application. We will contact you within 2 business days upon receipt of application. Please include your full name (including middle name) and an email address or cell phone with text capability.
